#### XIII. REQUEST FOR RELIEF

WHEREFORE, Complainants Razor and Inventist respectfully requests that the United States International Trade Commission:

A. **Institute an immediate investigation** pursuant to Section 337(a)(1)(A) of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, into the violation by Respondents of Section 337 arising from the importation into the United States, and/or sale for importation and/or sale within the United States after importation, of Respondents' motorized self-balancing vehicles that are the subject of unfair methods of competition;

B. **Institute an immediate investigation** pursuant to Section 337(b)(1) of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, into the violation by Respondents of Section 337 arising from the importation into the United States, and/or sale for importation and/or sale within the United States after importation, of Respondents' motorized self-balancing vehicles that infringe the '278 patent;

C. Schedule and conduct a hearing pursuant to Section 337(c), for purposes of receiving evidence and hearing argument concerning whether there has been a violation of Section 337, and following the hearing, to determine that there has been a violation of Section 337;

D. **Issue a general exclusion order** forbidding entry into the United States of motorized self-balancing vehicles that infringe the '278 patent and/or are the subject of unfair methods of competition;

Alternatively, **issue a limited exclusion order** forbidding entry into the United States of motorized self-balancing vehicles imported, sold for importation, or sold after importation by Respondents that infringe the '278 patent and/or engage in unfair methods of competition;

E. **Issue a permanent cease and desist order**, pursuant to Section 337(f), directing Respondents to cease and desist from the importation, sale, offer for sale, marketing, advertising, packaging, inventorying, distribution, transfer, or solicitation of any sale by Respondents of motorized self-balancing vehicles, that infringe the '278 patent and/or are the subject of unfair methods of competition; and

F. Grant all such other and further relief as it deems appropriate under the law, based upon the facts complained of herein and as determined by the investigation.
